

Moving Notice to KLIA2 for All Air Asia & Air Asia X Flights

How to Get There

By ERL

KLIA2, located 2km away from KLIA, will be accessible via a 2.2km railway line extension of the existing ERL line, served by 12 high-speed electric trains. Both KLIA Ekspres and KLIA Transit services will be serving the KL Sentral ► KLIA2 line.

- **KLIA Ekspres**

KLIA Ekspres is an express rail service that operates from KL Sentral to KLIA route directly. With a fee of only RM35/one way and an estimated 33 minutes of transfer from KL Sentral to KLIA2, KLIA Ekspres operates with 15 minutes and 20 minutes intervals during peak and off-peak hours respectively.

With the opening of the KLIA2 terminal, the route is now extended to KLIA2 with a brief stop at KLIA, providing the same express service with the same fare for passengers travelling to and from KL Sentral. The inter-terminal fare between KLIA and klia2 is an affordable RM2 and the ride only takes 3 minutes.

- **KLIA Transit**

KLIA Transit is a half hourly rail service that runs with the following stops:

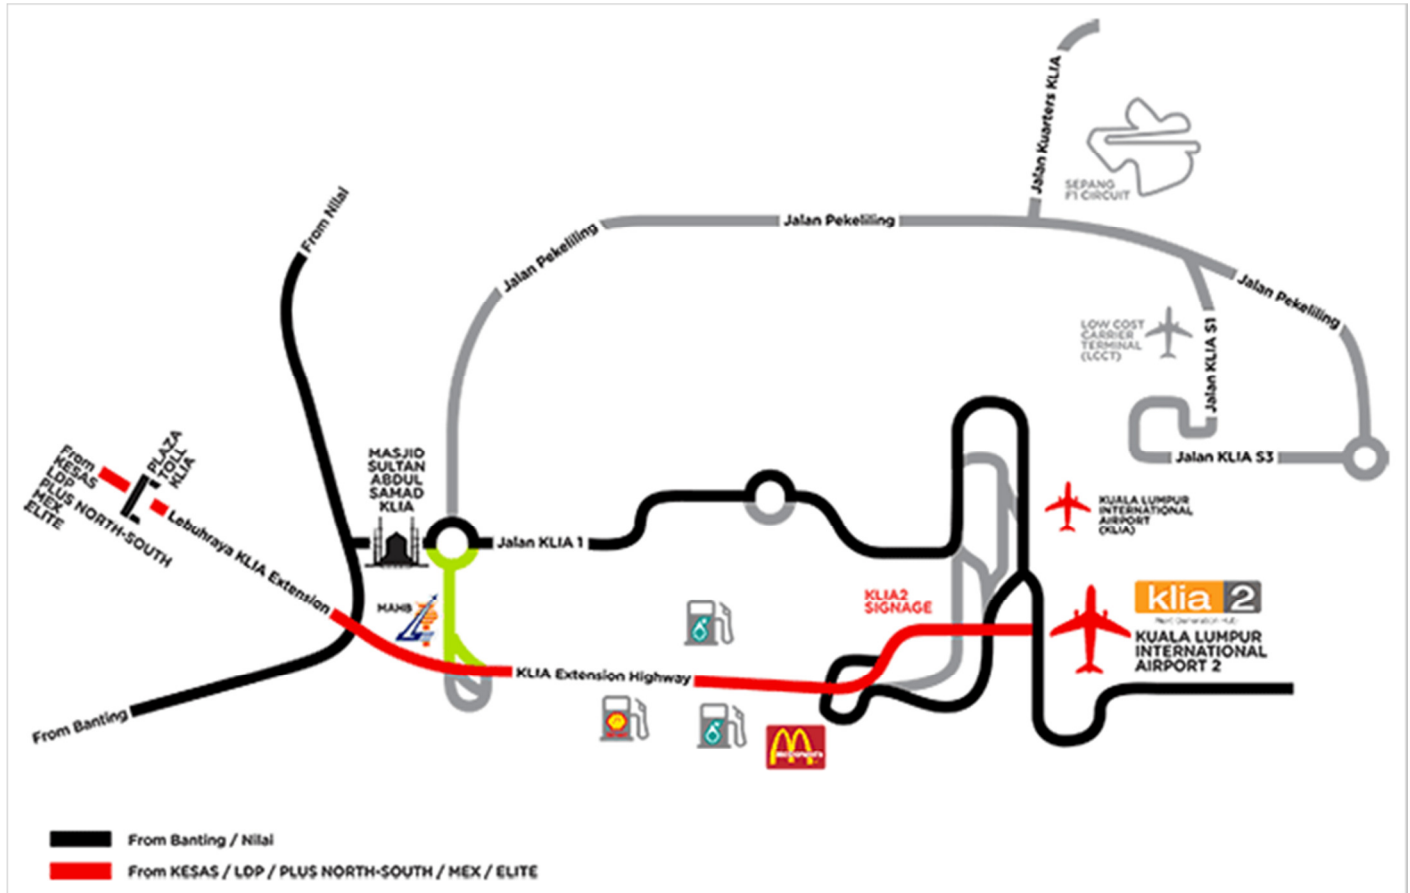

KL Sentral ► Bandar Tasik Selatan ► Putrajaya & Cyberjaya ► Salak Tinggi ► KLIA ► KLIA2

With 4 stops from KL Sentral to KLIA2, the run takes only 38 minutes.

By Car

KLIA2 is accessible from various points of the city via 6 highways:

- ELITE Highway
- LDP Highway
- KESAS Highway
- MAJU Expressway
- North South Expressway Central Link
- New Klang Valley Expressway (NKVE)

There are 6,000 parking bays available at the Integrated Complex Building at KLIA2 for visitors and airline guests.

By Bus

There will be up to 10 bus operators operating from KLIA2, providing more than 20 routes to major hub destinations.

A complimentary shuttle bus service between KLIA2 and LCCT will be provided by Malaysia Airports Holding Berhad (MAHB) from 01May until 15May 2014, and will be available every 15-20 minutes.

The bus can be boarded at:

- LCCT: Current staging area of the bus services (Lane 3, in front of LCCT, next to the taxi lane)
- KLIA2: Bus Transit Hub, Level 1, KLIA2
