

Moving Notice to KLIA2 for All Air Asia & Air Asia X Flights

Operational Details

Flight Terminal Change

Effective Friday, 09May 2014, all of Air Asia and Air Asia X flights will operate from KLIA2. However, there are also several flights on Thursday, 08May 2014 that will arrive directly into KLIA2 instead of LCC Terminal.

Below are the lists of the affected flights:

Vacation NOW

IMPORTANT: Beginning 9 May 2014 0:001hrs, all flights (AirAsia & AirAsia X) that are not mentioned above will operate in klia2.

Operational Changes

Air Asia and Air Asia X counters

All Air Asia and Air Asia X counters will be opened **three (3) hours** before scheduled departure time, and will be closed **one (1) hour** before scheduled departure time effective 09May 2014 at KLIA2.

We would like to advise all our guests to arrive ahead of the recommended check-in time to ensure ample time to move from check-in counters to your designated departure gates.

Red Carpet service

Our Red Carpet service will be temporarily unavailable from 09May 2014 onwards for a period of four to six weeks. This is to allow our contractors to complete works for our lounge facilities and ensure full operational readiness for KLIA2.

Guests who have purchased Red Carpet services for outbound journeys from Kuala Lumpur will be entitled to a credit shell for the fees paid. Bookings for Red Carpet services for travel arriving into Kuala Lumpur are unaffected.

We will keep our guests informed once the service has been reinstated.

Fly-thru

All Fly-thru guests are to connect via the Transfer Hall (Gate L), located between domestic & international gates. Please approach our ground staff if you need any assistance.

Tune Hotels

Tune Hotel KLIA2 will begin operations on 09May 2014. All bookings made up until the 08May 2014 (stay date) will remain at the current Tune Hotel LCCT. Transportation from Tune Hotel LCCT to KLIA2 will be provided for guests who are checking out on 09May 2014.
